Kansas State Veterans' Cemetery Eligibility Information

Veterans who desire burial in a Kansas Veterans' Cemetery may request that eligibility be determined for themselves and their eligible dependents prior to burial need. While this will not reserve a specific grave site, it will lessen the burden on surviving family members at the time of the veteran's / dependent's death and allow immediate scheduling of burial by cemetery staff. In situations where no pre-certification has been made, burial will not be scheduled until eligibility has been established.

Service Verification

Veterans requesting a pre-determination of eligibility for themselves and their dependents should provide a copy of their DD214 or Military Discharge showing the character of discharge and dates of service.

Marriage Documentation

Veterans who desire their spouse to be buried with them must provide a copy of their Marriage Certificate.

Birth Documentation

In some cases, the Veteran's children may be eligible for burial with the veteran. Please contact a Cemetery Representative for more information about a dependent child's eligibility.

Residency

No residency requirement needed for any Kansas Veterans' Cemetery.

To obtain more information about specific Kansas Veterans' Cemeteries, please contact a Cemetery Representative. You can also obtain more information regarding Kansas State Veteran Cemeteries via the Internet at: <http://www.kovs.ks.gov/veteran-cemeteries/program-information>

Forward all documentation along with a completed Pre-Certification Application to the Kansas State Veterans' Cemetery where burial is desired. Upon verification of burial eligibility, the Veteran will be provided a letter stating that his or her eligibility has been confirmed. That letter should be kept with important papers or provided to the Veteran's funeral director if a funeral plan has been established. The Veterans' Cemetery Program will maintain a file copy of the letter and other pertinent documentation so that interment can be scheduled immediately upon notification of death.
